Jim and Angela Leavens

Re: Endorsement of Jim Leavens for the Office of Sheriff campaign

Dear Jim and Angela,

It is a great honor for me to write this letter. I have known both of you for over 30 years and I have known both of your families for longer than that.

I am writing this letter to endorse Jim Leavens for the Office of Sheriff in the upcoming election FY2020. Jim's experience, character and diligence outline the reasons for me to make this decision.

I know that Jim Leaven's only concern is for the safety and welfare of the citizens of Lee County, Florida. Jim understands better than most that our number one job in government is to protect our citizens. I rest knowing that he will make that his priority.

No Sheriff performs this job alone so I am thankful that Angela will be right by Jim's side, having her own career and experiences to draw from, to aid him and bring peace and comfort during trying times.

By this letter I am recommending that my family, friends and all citizens support and vote for Jim Leavens for Sheriff of Lee County, Florida. Remember, Experience Counts!

Respectfully,

Rodney Shoap,
Retired - Sheriff,
Police Chief & Magistrate
